VITAMINA D3+K2 MEDERI

Description: Food supplement based on vitamins D and K.

Directions for use / recommended dose: Take one (1) softgel a day, preferably with meals, or as recommended by a professional.

Presentation: Bottles of 120 and 240 softgels of 310 mg.

Composition: Extra virgin olive oil, cholecalciferol (vitamin D) and menaquinone-7 (vitamin K). Coating: bovine gelatin, humectant (vegetable glycerin) and water.

Storage conditions: Keep the container closed in a dry and cool place. Avoid direct exposure to sunlight.

Ingredients:

Ingredients	1 softgel	%NRV*
Vitamin D	100 µg (4,000 UI)	2,000%
Vitamin K	90 µg	120%

*NRV: Nutrient Reference Value for vitamins and minerals.

Warnings: Do not exceed the expressly recommended daily dose. Food supplements should not be used as a substitute for a varied diet. Keep out of reach of younger children.

Properties and possible applications:

Vitamin K contributes to normal blood clotting and bone maintenance under normal conditions.

Vitamin D contributes to the normal absorption and use of calcium and phosphorus, the maintenance of normal blood calcium levels, the maintenance of bones and teeth under normal conditions, the normal functioning of muscles and the immune system, and the process of cell division.
