DHA PURE NPD1 1000 ALGAE

Description: Food supplement based on *Schizochytrium* sp. microalgae oil.

Directions for use / recommended dose: Take one (1) softgel a day, preferably with meals or according to professional recommendation.

Presentation: Box of 12 blisters with 120 softgels of 1,530 mg.

Composition: *Schizochytrium* sp. microalgae oil and antioxidant (D-alpha-tocopherol). Coating: bovine gelatine, humectant (vegetable glycerine) and water.

Storage conditions: Store in a cool, dry place away from sunlight.

Ingredients:

Ingredients	1 softgel
Oil from the microalgae Schizochytrium sp.	1,250 mg
Of which: DHA (Docosahexaenoic acid)	1,000 mg

Warnings: Do not exceed the expressly recommended daily dose. Food supplements should not be used as a substitute for a balanced diet. Keep out of the reach of young children. Not to be taken by infants or children under 3 years of age.

Properties and possible applications:

Docosahexaenoic acid (DHA) contributes to normal brain function and to the maintenance of normal vision.*

* The beneficial effect is obtained with a daily intake of 250 mg of docosahexaenoic acid.
