NAC 300 MÉDERI

Description: Food supplement based on N-Acetyl-L-Cysteine.

Directions for use / recommended dose: Take one (1) capsule a day, with half a glass of water (125 mL), preferably outside of meals, or as recommended by a professional.

Presentation: Bottle of 90 vegetarian capsules of 600 mg.

Composition: N-acetyl-L-cysteine (NAC), bulking agent (microcrystalline cellulose), capsule: coating agent (hydroxypropyl methylcellulose), water and gelling agent (Gellan gum), bulking agent (calcium phosphate dihydrate) and anti-caking agents (magnesium salts of fatty acids and AEROSIL® 200 F (silicon dioxide)).

Storage conditions: Store in a cool, dry place.

Ingredients	1 capsule
N-Acetyl-L-Cysteine.	300 mg

Warnings: Do not exceed the expressly recommended daily dose. Food supplements should not be used as a substitute for a balanced diet. Keep out of the reach of young children.
