LACTOFERRINA MÉDERI

Description: Food supplement based on lactoferrin.

Directions for use / recommended dose: Take one (1) capsule a day, preferably before meals, or as recommended by a professional.

Presentation: Bottle of 60 gastro-resistant capsules of 460 mg.

Composition: Lactoferrin (**derived from MILK**), capsule (coating agent: hydroxypropyl methylcellulose and gelling agent: Gellan gum), bulking agent (microcrystalline cellulose) and anti-caking agents (magnesium stearate and AEROSIL® 200 F (silicon dioxide)).

Storage conditions: Keep the container in a cool, dry place.

Ingredients:

Ingredients	1 capsule
Lactoferrin	300 mg

Warnings: Do not exceed the expressly recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Keep out of the reach of young children.
